

At a Glance In Government

For more than 35 years, ACS has delivered flexible, reliable operations for government. We touch millions of lives every day – on highways and in hospitals, at the courthouse and the corner store, over the phone and on the Web. By working with us, government agencies transform the way they serve citizens and communities, now and in the future.

We Touch People's Lives Every Day by...

- Working in partnership with more than 1,700 client agencies at all levels of government
- Serving clients in all 50 states, the District of Columbia, Puerto Rico and abroad
- Processing 570 million Medicaid claims each year, totaling over \$50 billion in provider payments, and supporting healthcare for 35 million people
- Supporting the world's largest electronic toll collection system, E-ZPass, handling \$3 billion in toll revenue each year
- Servicing student loans for 11 million borrowers with outstanding loans of \$160 billion
- Handling 90 percent of the nation's electronic pre-clearance of commercial vehicles
- Processing over 50 percent of the nation's child support payments, more than \$14 billion
- Serving four million cardholders of 24 electronic payment card programs for state and federal clients, disbursing \$7.5 billion annually
- Processing 16 million parking tickets annually for cities including Los Angeles and Boston
- Providing land records management solutions to more than 1,500 clients

- Facilitating more than 75 million online unclaimed property searches per year
- Processing six million medical claims annually for federal workers compensation programs
